PLEASE READ! LOTTERY PACE OF PLAY

WGC Staff thanks all players in advance for making this commitment to make Winnetka Golf Club a place for all golfers to enjoy their round of golf at reasonable pace of play. Remember, everyone who that follows you on the course that day will feel the effects of your pace of play. Pace is for the enjoyment of all players.

Any group enrolled in the golf lottery does so with the understanding that players must keep pace with the group in front of them. By enrolling in the golf lottery all players and groups agree to the following:

- Maximum pace of play for Saturday and Sunday will be:
First Hour: Under 4 Hours **Second Hour:** 4 hours
Third Hour: Under 4:10 hours **Fourth Hour:** Under 4:15 Finish
- Groups that fail to finish in these times and fail to maintain pace interval (finishing within 9 minutes of the proceeding group) for two consecutive weeks will be fined \$25 per person (from the holding account).
- Groups should choose their lottery times to fit the pace of play that makes for their most enjoyable round.
- Groups failing to meet the above criteria may choose to pay the fine or have their time moved to the end of all lottery times.
- All players on Saturday and Sunday, lottery or not, will agree to this pace of play policy.
- This policy will be waived under the following conditions: no golf cars are allowed, it is raining during your round and it is more than 90 degrees during your round.

Staff rangers are here to help all golfers enjoy a safe and well-paced round of golf. To that end, the following will occur when a group is found to be out of position to finish the round in acceptable pace.

1st Step

Winnetka ranger will ask to please improve your speed of play. Can we help?

2nd Step

If your group has not improved its position, the group will be asked to move into position by skipping the necessary amount of holes or shots.

3rd Step

If your group cannot maintain position, the group will be asked to return to the pro shop for a refund of their golf fees.
